

MODERN MEMORIES

Notes:

Read entire pattern before beginning.
 Always trim away selvages before cutting fabric.
 Seams are 1/4" unless otherwise noted.
 WOF = width of fabric from selvaage to selvaage.
 (approx 40" - 42" with selvages trimmed)
 Cut largest pieces from yardage first.
 For instructions on finishing and binding visit iquiltmodern.com

Materials & Tools:

quilter's ruler, rotary cutter and cutting mat
 coordinating cotton thread for piecing/quilting

LAP Quilt

finished size	55 1/2" x 71 1/2"
background fabric	2 1/3 yard
white shadow fabric	1/4 yard
fabric for blocks	scraps
muslin	(4) 13" squares
batting	twin 72x90
2.5" binding	2/3 yard
backing	3 1/4 Yards
backing layout diagram

Layout Diagram:

Crazy quilt block:

This block is made with a foundation piece and the stitch and flip method.

Start with a 13" piece of muslin and a 5 sided scrap of fabric. Place scrap near the center of the muslin right side up.

Line up a second scrap of fabric, right sides together, along one of the five edges. Sew a 1/4" seam.

Flip new piece over to cover seam, and press.

With right sides together, align the next scrap on the side to the right and sew 1/4" seam.

Flip seam, press open and continue working around adding to each of the five sides.

Trim away excess as you go.

When your muslin foundation piece is covered, trim block to 12 1/2" square. Make four blocks total.

Add to each crazy quilt block:

STEP 1

STEP 2

STEP 3

Finishing:

Backing, Quilting, Binding:

Completing the Quilt Top

Join four blocks into a column. Follow the Layout Diagram to complete the quilt top.

Backing

Remove Selvages from yardage.
Cut backing yardage into two pieces each 58.5" long.
Sew lengths together with 1/2" seam, press seam open.

Quilt Sandwich

Layer backing, batting and quilt top ~ baste using preferred method.
(ex basting pins, basting spray, basting stitch etc.)
For a tutorial on how to make a quilt sandwich visit iqltmodern.com.

Quilting & Binding

Quilting options are personal preference. Machine quilting is stunning on this quilt with all the negative space. Alternately, should you choose to hand quilt, find a complete tutorial at iqltmodern.com

When quilting is complete, square up top and machine stitch around perimeter edge of quilt top (1/8") to secure. Trim excess batting and backing away and bind.

The Quilt Deets:

Modern Memories ~ designed, pieced and machine quilted by Sherri Noel
Quilting Thread ~ Superior SoFine
Batting is Warm and Natural from The Warm Company
